

Guideline for Posters Presentation Lombok Pediatric Update (LOP-U) Saturday-Sunday, August 22-23th 2026

GENERAL INSTRUCTIONS

- Topics are related to 4 topics:
 - a. Nutrition & Metabolic Diseases
 - b. Immunization
 - c. Neonatology
 - d. Pediatric Emergency and Critical Care (ETIA)
- Participants may include pediatricians, residents, fellows, general practitioners, other medical specialists, and medical students.
- All participants are required to be registered for the LOP-U Symposium.
- Posters must be created based on scientific and/or clinically ethical and valid methods.
- The decision outcomes are within the authority of the committee. Those will be final and irrevocable.
- Poster presenters will be selected by the judges. Further information will be announced by the committee through the official website at <https://lombokpediatricupdate.id/> or Instagram @lombok_pediatricupdate.
- The winners will be announced at the end of the symposium.

E-POSTER PRESENTATION FORMAT AND PROCEDURES

- Participants must send the e-poster in English.
- Poster format must be in JPG (.jpg), single page, vertical orientation (portrait).
- The poster content must not exceed 250 words.
- Name the file according to the presenter's Full Name (Example: Poster-1 Putri Nandita).
- Posters may be created using Corel Draw, Canva, PowerPoint, or other media by setting the page size to: Width 80,001 cm × Height 142,002 cm.
- The organizing committee will provide an official poster template that can be downloaded through the website. Participants are allowed to creatively modify the poster

design, including font size and content layout; however, the designated header and footer must remain unchanged.

- Title, author, and affiliation must be written at the top of the poster.
- The e-poster format for original studies consists of:
 - a. Background
 - b. Objective
 - c. Methods
 - d. Results
 - e. Conclusion
- The e-poster format for case report consists of:
 - a. Background
 - b. Case Presentation
 - c. Discussion
 - d. Conclusion
- Images, photographs, graphs, and tables may be included in the poster.
- Posters must be submitted through the official website at <https://lombokpediatricupdate.id/>
- Posters that have been accepted cannot be changed.
- Participants may submit more than one poster.
- Posters that are declared accepted will be notified to participants via email.
- The deadline for poster submission is Friday, 31st July 2026.
